A guaranteed rate of return investment, known as C.A.T.S., which stands for "Certificate of Accrual on Treasury Securities" for zero coupon bond, guarantees the owner one thousand dollars, backed by the U.S. Government.

OVER FORTY BILLION DOLLARS INVESTED!

Many investors use them to fund their I.R.A. Retirement Accounts, as well as for institutional investors, since they give a guaranteed return on investment with the safety and backing by Treasury Certificates.

HELP FUND THE FUTURE OF YOUR CHILDREN...

If you are a investor, you may wish to put the certificate in the name of your child or grandchild, which may help pay for his education or help him get started in life, and there is no annual Tax Liability. This is a tax advantage, since minor children pay little, if any, taxes.
